

LANDSCAPE MAINTENANCE TECHNICIAN – JOB POSTING

Zarcon Inc. Landscape is a growing full service landscape design, build and maintenance company serving the Niagara region. Moving into the 2015 season we are looking for qualified candidates for a Landscape Maintenance Technician.

The Position - Landscape Maintenance Technician

Seasonal (immediately – November 1 - can be flexible with the right candidate)

We are looking for a highly motivated individual with excellent work ethic, customer service skills and attention to detail to fill the position of Landscape Maintenance Technician. This role will have you performing all related landscape maintenance activities (property maintenance, lawn cutting) under supervision of the maintenance crew leader. This role requires a minimum of 1 year of experience in the lawn care / landscape industry or experience with the equipment outlined in the job duties below. Post-secondary education in a related field and/or experience in the landscape industry is considered an asset.

Core Capabilities

- Customer service and quality focus
- Effective communication skills (both verbal and written)
- Team work
- Excellent problem solving and time management skills
- Responsible and dependable
- High level of integrity
- Attention to detail

Job Duties / Responsibilities:

- Loading/unloading of trucks and trailers in the AM and PM including all equipment and materials required to complete daily objectives
- Conduct daily inspections and maintenance on vehicles, tools, and equipment
- Assist in other job-related duties including construction projects, shop and yard maintenance, vehicle and equipment maintenance
- Operate power equipment including, but not limited to, lawn tractors, lawn mowers, line trimmers, blowers, hedge trimmers, pruning saws, sod cutters, chain saws, and snow blowers
- Provide written reports each day including:
 - o Document any issues or notes including client requests/discussions and concerns
 - o Document and report equipment deficiencies
 - o Monitor consumable equipment replenishment (fuel, oil, other consumables)
 - o Document and report any safety breaches
- Promote and ensure Health & Safety compliance
- Comply with all company policies and regulations
- Provide feedback and input to management
- Communicate with clients in a polite and courteous manner
- Perform maintenance work, including:
 - o Lawn cutting
 - o Trimming
 - o Mulching
 - o Weeding
 - o landscape build work (under supervision)
- Any additional duties as required

Qualifications + Requirements:

- High School Diploma, GED or equivalent
- Minimum 1 year landscape maintenance experience or equivalent
- Experience with lawn maintenance equipment (string line trimmers, walk behind mower)

- OWN transportation to commute to yard – no public transportation available
- Excellent customer services skills
- Ability to work long 40 - 60 hour weeks including weekends if required
- Ability to walk, stand, crouch for long periods of time and carry out strenuous physical tasks
- Safety steel toed boots
- Ability to work outdoors under various weather conditions

Assets (not required but recommended):

- CPR / First Aid training
- Plant knowledge
- Landscape build knowledge / experience
- WHMIS Certification
- Health & Safety Training

Career Path: Advancement opportunities are directly related to the company's ability to continue to grow and the growth is the team's objective. We have a growing build division and potential positions in the future include foreman, sales people, designers and more.
